2 Way TV Splitter A Class

A-Class 2 Way TV Splitters have a High Interference Rejection. Digital TV Splitters are suitable for High grade SMATV/MATV systems or for those that want the best at home. Great value Television splitters! Plastic click back allows easy installation before connecting cables. Simple but effective in designing your MATV/SMATV head-end.

Product Code: AS2

Providing superior performance, these High Quality A Class splitters provide superior screening in excess of 100dBuV. For digital TV, sometimes the electromagnetic interference (impulse noise) from outside sources can pose problems. Using such a High Quality splitter reduces this potential problem ensuring trouble free reception. Provided with an ABS plastic click on holder, mounting these splitters for MATV systems make them ideal. Simply screw the plastic holder to the wall, then click in the splitter for easy maintenance and installation.
